Admission Policy

IBA takes pride that it has never compromised quality in its standards of student intake, classroom instruction and discipline, assessment and testing during the fifty years of its existence. The challenge has been to continue the emphasis on quality assurance while promoting a culture of inquiry, inquisitiveness and innovative thinking. In our drive to reach ever higher, we consider it imperative to periodically review the admissions policy and align it with international best practices such as standardized international teaching, work experience requirements for MBAs and assessment of leadership potential.

The Policy for Admission in various programs / courses of study at the Institute of Business Administration Karachi may be stated as follows:

Salient Points

- Admission will be offered to all those who qualify following a strict merit-based admission criteria irrespective of their race, religion, gender, ethnicity or socio-economic background.
- There are no reserved / quota seats for any category at IBA.
- No effort will be made to fill all available seats or lower criteria if an insufficient number of candidates apply or an individual candidate fails to satisfy the above criteria.
- The cut-off for individual programs in the Aptitude Test will be decided by the Admissions Committee using rigorous methods based on statistical analysis.
- The Aptitude Test scores obtained by the test takers will remain valid for a period of 16 months and may be availed for admission only once; however, the minimum academic eligibility requirements will be those applicable at the time of actual admission.
- There will be one Aptitude Test for admission to both campuses of IBA. Candidates may, however, choose the campus of their preference at the time of admission and choose their specializations after a minimum of 2 years’ study at IBA for undergraduate and 1 year for graduate programs.
- There is no distinction in the fee structure between the Main and City Campuses. No qualified candidate will be refused admission on the basis of his / her inability to pay IBA fees; such candidates are required to apply for financial assistance and meet the criteria for the same.
- A merit scholarship is available at IBA, according to which candidates falling in the top 10% of the List of Candidates admitted to the BBA & MBA Programs (to be published at the culmination of the admission process) will be offered a 50% reduction in their tuition fees, in lieu of participation in a work study program.
- It will be obligatory / incumbent on all merit scholarship holders to maintain a CGPA of 3.5 on completion of two semesters each year. Inability to maintain the said CGPA will render the concerned merit scholarship holder ineligible for continuation of the merit scholarship in the remaining semesters.
- In case a student loses his / her standing for “merit scholarship”, and regains the required CGPA in any subsequent semester, the student will again become eligible for merit scholarship in the next semester however he / she will not be entitled to claim the same for the preceding semesters.
